ASSEMBLY UPDATE:

Work continues forward on the Log book Bill and the Assault bills in the NY State legislature. Both bills were reintroduced in the Senate and the Assembly in January.

On Friday, Feb 19th, 2016, Gail Kagan attended a meeting with Assemblyman Pretlow in Westchester who is the sponsor of both bills in the Assembly this year. Plans were made to meet with Mr. Pretlow and some key Assemblymen next month, in Albany, to hash out the particulars and to garner the support of the committee members to push the bill forward. We will keep you posted.
